

PA Municipal Planning Education Institute

An educational program of the PA Chapter-APA and PA State Association of Boroughs

The Course in Subdivision & Land Development Review

Location:

Potter County
County Complex Gunzburger Bldg.
1 North Main Street
Coudersport, PA 18901

The *PMPEI Course in Subdivision & Land Development Review* is a two session in-depth course for planning commissioners, local officials, and others involved in the land development process. The course covers 1) the principles of subdivision and land development regulation; 2) ordinance standards and review procedures in the MPC, and; 3) project design techniques including flexible design concepts and options. Participants learn how to manage the review process and relate it to comprehensive plans. Hands-on plan review exercises for designing innovative development options are included.
